

BIZCOURIER WEB SERVICES

Dear Partners,

We would like to inform you that BizCourier can now offer you the ability to check the remaining stock of your products in our warehouses in real time whenever you wish by taking advantage of BizCourier Remaining Stock Web Service.

Requirements	
Method	Description
prod_stock	<p>Searches the remaining stock of client's products in all the warehouses.</p> <p>Returns as a Result an array for each product with the basic information of stock.</p>

Input

Input Fields	Description
Code	* Client's Code
User	*The Username which is used by you to login to https://www.bizcourier.eu
Pass	*The Password which is used by you to login to https://www.bizcourier.eu

*If you do not know any of authentication data above Biz Courier will b happy to provide this on request via email at info@bizcourier.eu with Cc to support@bizcourier.com.gr

Output

For each product you get an array with the following fields.

Output Fields	Description
Product_Code	BizCourier's code for the product. It is the same code which is used by you in order to create a shipment for this product. Every time a new Product is received at our warehouses, we inform you of the new Code.
Product_Description	A short Description of the Product.
Product_Description_2	Full Description – Name of the product.
Order_From_Supplier	If you have informed us of a minimum limit of stock and the remaining stock is less than this, then you will get 1 as a result which means you are required to send us more items.
Committed_Quantity	Quantity used in shipments which are not in a final status.
Remaining_Quantity	Quantity in stock. This is the amount of pieces we can use at the specific time for new shipments.

WSDL

The WSDL file can either be downloaded from the link:

https://www.bizcourier.eu/pegasus_cloud_app/service_01/prod_stock.php

or emailed to you on request at support@bizcourier.com.gr.

You may start testing it with SoapUI Software by clicking on the link below:

<http://www.soapui.org/>

If you require any further information or clarification please email your queries to support@bizcourier.com.gr and we shall more than happy to assist you.
