

BIZCOURIER WEB SERVICES

Dear Partners,

We would like to inform you that BizCourier can now offer you the ability to ask for a shipment modification directly from your company's software or website by taking advantage of BizCourier Shipment Modification Web Service.

Requirements	
Method	Description
modifyShipment	<p>Creates a new shipment using the authentication data provided and the shipment's data.</p> <p>Returns as a Result an array with the basic data of the shipment and or possible errors.</p>

Input Fields

Input Fields	Description
Code	* Client's Code
CRM	*Client's CRM code
User	*The Username which is used by you to login to https://www.bizcourier.eu
Pass	*The Password which is used by you to login to https://www.bizcourier.eu
Voucher	Shipment's tracking number to request modification.
Modification	The desired modification. (Text must be UTF-8 encoded)

Output Fields

Output Fields	Description
Error	Returns "0" if authentication data and Shipment's data are correct.
Voucher	Shipment's tracking number to request modification.
ModCode	The unique identification number for your shipment modification.
Modification	The modification which you requested.

Details – Clarifications

* If you do not know any of the authentication data BizCourier will be happy to provide this on request via email at info@bizcourier.eu with Cc to support@bizcourier.com.gr

** Field Error returns as a result the basic errors description.

*** Field ModCode is the unique number for your modification.

**** All modifications requested by you are checked and then processed.

***** You can view all Modification requests for the shipments in our website in the history of the shipment. Modification text is not visible for security and personal data reasons.

***** String Field Modification must be UTF-8 ENCODED.

WSDL

The WSDL file can either be downloaded from the link:

https://www.bizcourier.eu/pegasus_cloud_app/service_01/bizmod.php

or emailed to you on request at support@bizcourier.com.gr.

You may start testing it with SoapUI Software by clicking on the link below:

<http://www.soapui.org/>

If you require any further information or clarification please email your queries to support@bizcourier.com.gr and we shall be more than happy to assist you.
